# There's never a queue online

Seek help from a GP at your practice  
using your smartphone, tablet or  
computer - anytime, anywhere.

Visit your practice website and clicking  
the askmyGP link on their homepage.

Or install the Evergreen life app,  
with the additional benefit of repeat  
prescription ordering, access to your  
GP medical record and the ability  
to create and maintain your own  
personal health record.
